DIRECTOR OF CENTRAL INTELLIGENCE Security Committee

SECOM- D-285

15 July 1980

25X1A

25X1A	MEMORANDUM FOR:	Chairman, Steering Group
25X1A	FROM:	SECOM Member
	SUBJECT:	Identification of Contents of Operational and Suboperational Compartments
25X1A 25X1A 25X1A	whether or not requirement on d statement, endors	lefining ops and subop compartments. Your
25X1A 25X1A	attention to proposal for some quarters the is no further efficiency for the control defined in the severything that under HVCCO. Further about whether or for these compart practice. The proposition DIRNSA staff support per planning papers in fact no substrelated material	like to express similar interest and draw 27 May 1980 (Serial V1/091/80) compartments. It is felt in nat serious difficulties will arise if there fort along the lines of more clearly defining tents of these compartments. Both now are same terms, and on their face encompass is now COMINT and all things blanketed arther, there are questions being raised to not the contents of whatever NSA proposes thents would or could lead to an undesirable proposal by NSA would have requesters (SIO's) for COMINT access approvals for low level ersonnel handling budget papers, consolidated and assorted other documents that may have tantive COMINT, only information about COMINT l or in a worse case, have nothing except the g instruction itself.
